Pearson, 2011. Loose-leaf. Condition: New. 3rd ed.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This edition features the exact same content as the traditional text in a convenient, three-hole- punched, loose-leaf version. Books a la Carte also offer a great value--this format costs significantly less than a new textbook. The first book of the Mathematics in Action series, Prealgebra Problem Solving, Third Edition illustrates how mathematics arises naturally from everyday situations through updated and revised real-life activities and accompanying practice exercises. This unique approach helps students increase their knowledge of mathematics, sharpen their problem-solving skills, and raise their overall confidence in their ability to learn. Technology integrated throughout the text helps students interpret real-life data algebraically, numerically, symbolically, and graphically. The active style of this book develops students mathematical literacy and builds a solid foundation for future study in mathematics and other disciplines.
