HOW TO BE MORE MAN THAN YOUR WOMAN

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.These stories and statements have been written with an unbiased pen, and nor has this been written with an unmerited prejudice toward women and men, but only on facts about the way most couples act in a relationship. The struggle for control and dominance among men and women is present in almost every relationship in the United States and is spreading fast throughout other free countries around the world. Control and dominance has taken the place of honor and respect. The only positive side to this miserable state of destitution that man has brought upon himself due to his uncontrollable desire for sex is the humor in it all. Although this book has been written from the point of view of a man, I believe the reader will find the author is equally critical of both genders, and possibly just a little more critical of the emotional weaknesses expressed from his own gender: the male race. This book is also provocative, offensive, and very controversial, but if read with an open mind, I do believe the reader will enjoy the contents pertaining to these stories about the many foolish things men and women will do for love. Countless songs, books, and movies...
