Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Archon, Vol. 30: December 17, 1942 Mr. Hitchen quoted a line from Robert Frost, You must look at a thing until sight becomes insight, and called it a sentence which opens a door and makes Wider the vista ahead. He said such a thought re veals the hidden meanings of life, and he gave examples in the fields of history, music, and sculpture. Mr. Cartmell used a Greek myth to illu strate the point that a man out Of touch with things on earth is out Of gear with society and out of contact with God. He described the exaggerated individualist as out of gear or up in the air. God, he said, is the bedrock of existence, and the church keeps our feet on the ground. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
