## CALLING THE TUNE

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Don't believe what they say: money can buy everything - and I have lots of it. It's Eddie's trial and Michael is reliving events he'd rather forget. Giving evidence means he can't hide, and there are still people looking for him and old debts to be repaid. It was never going to be easy. Face to face with the man who raped him, Michael runs from court, but he's not alone. Close behind him is trainee reporter Becky, and the story she wants will make or break her career after a telephone call sends Michael running for his life. But running away never solved a problem. Michael realises he has to face his demons head-on if he's ever going to move on with his life - and now he's on a collision course with his worst nightmare. Following on from Hamelin's Child and Paying the Piper, this novel contains adult material.
