John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Karma of Everyday Life: A Logical Exploration of the Law of Karma, David Lacey, Karma is an Eastern word that has now entered the Western lexicon. Most people are familiar with the idea yet, paradoxically, few understand it. It is a vast, subtle and all-encompassing concept. It affects us all; it is one of the prime influences on our life's journey. An understanding of Karma can be of benefit to each of us as individuals, and possibly to mankind as a whole. But it must be an understanding based on reason and honesty, not on fear or a desire for comfort.
