The world is full of people from different occupations and backgrounds. While some of them succeed and reach to the very everlasting fathoms of glory and success, other fall into the ground headfirst and fail to ever rise up again like a phoenix. Why does this happen so often? What is the motivating force of those successful men? Are they Mutants? Are they humans with supernatural capabilities? No!! The answer to that question is very simple, all of the successful men throughout the long span of history has mastered the art of self-discipline and conquered their temptations and desires in such a way, that they are in total control of their life. This book is written for those dreamers and aspirers who are aiming for something greater and want to stand out from the common crowd and succeed in both their professional and personal life. Throughout the book you will be taught the basic concepts of Self Mastery, Self Control, Self Denial and Of course Delayed Gratification which will altogether combine and congregate themselves into a beautiful package and...
