## FOLK MUSIC: A VERY SHORT INTRODUCTION

[DOWNLOAD](#)

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, Folk Music: A Very Short Introduction, Mark Slobin, This stimulating Very Short Introduction throws open the doors on a remarkably diverse musical genre, with a world-wide reach that goes far beyond America's shores to discuss folk music of every possible kind and in every corner of the globe. Written by award-winning ethnomusicologist Mark Slobin this is the first compact introduction to folk music that offers a truly global perspective. Slobin offers an extraordinarily generous portrait of folk music, one that embraces a Russian wedding near the Arctic Circle, a group song in a small rainforest village in Brazil, and an Uzbek dance tune in Afghanistan. He looks in detail at three poignant songs from three widely separated regions-northern Afghanistan, Jewish Eastern Europe, and the Anglo-American world-with musical notation and lyrics included. He goes on to sketch out the turbulent times of folk music today and tomorrow, confronting new possibilities, frameworks, and challenges. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
