MISSIONARY CAPITALIST: NELSON ROCKEFELLER IN VENEZUELA

The University of North Carolina Press. Paperback. Condition: New. 312 pages. The first work to draw on Nelson A. Rockefeller's newly available personal papers as well as research in Latin American archives, *Missionary Capitalist* details Rockefeller's efforts to promote economic development in Latin America, particularly Venezuela, from the late 1930s through the 1950s. Rockefeller's involvement in the region began in 1936 with his investment in Creole Petroleum, the Venezuelan subsidiary of Standard Oil. Almost immediately, he began trying to influence...

Reviews

This publication is wonderful. Better than ever, though I am quite late in starting to read this one. I am very happy to tell you that here is the best book we have read through inside my personal daily life and could be the finest PDF for actually.

Definitely among the finest publications I have ever possibly read. It is really simplified but shocks from the 50% of your PDF. Your life span will be converted as soon as you start looking over this book.
