Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Rhythm of Life Dear Dr. Charles Brodie Patterson This is a work for which I have long waited. I find here a fundamental examination of spiritual and physical laws relating to the rhythmic and vibratory forces that rule in the human sphere of thought and feeling. At a time when so much work is done, having mere impressionism as a basis, it is a source of joy to know that you have put into this book the product of years of patient observation and searching analysis, and I feel certain that it will stand the test of time. In Chapter III, under the title Energy-Motion Vibration, you go to the foundation of the subject of vibration, and in Music and Colour Tones you show their relation, and write with absorbing interest. My first experience with the therapeutical power of music was in Paris at a time when the subject was not even discussed; but not until I went to live in London did I put the subject to a practical test. A friend of mine,...
