## STRUCTURES OF PARTICIPATION IN DIGITAL CULTURE (PAPERBACK)

Social Science Research Council, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Digital technologies are engines of cultural innovation, from the virtualization of group networks and social identities to the digital convergence of textual and audio-visual media. User-centered content production, from Wikipedia and YouTube to Open Source, has become the emblem of this transformation, but the changes run deeper and wider than these novel organizational forms. Digital culture is also about the transformation of what it...
