To this college sophomore, the date is nothing but a black mark on her romantic past, leading to heartbreak and disappointment on an annual basis. So when her college house asks for a volunteer to be the Valentine s Day Designated Matchmaker, she jumps at the chance to remove herself from the dating pool. What better way to celebrate love than to arrange it for her two best friends? Suave senior Mason Pryor has other plans for Kierra. Every year, he s made it his mission to charm the VDDM into breaking her no-dating matchmaker vow, and every year he s succeeded so well that the boys of Sycamore House have a betting pool running on his success. This year will be no exception - especially with \$1,000 and his reputation on the line. But Kierra is a tough nut to crack, and he ll soon find himself wanting more than just a one-day date from this gorgeous, sarcastic, and vulnerable woman. Kierra is having none of his wiles - even though he is the kindest, funniest guy to show interest in her, and he makes her smile. Just when she s about to give in and let him in, a darkness from her past returns to remind her why she swore off love.
