

## Monetize Your Message - Paperback: The Training and Internet Marketing Mashup That Will Transform Your Message Into a Publishing Powerhouse (Paperback)

By J Scott MacMillan

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Have you written a book but are wondering why it s so hard to make money with it? Are you a speaker that travels around to different events speaking on stage and trying to sell your book at the back of the room? Or are you a personal coach making money primarily from one-on-one sessions but would like to touch more people and stop trading money for time? Maybe you just have a burning message that the world needs to hear. Would you like to make money while you sleep? Monetize Your Message is a comprehensive system that helps you create a platform from which you can create, market and sell online courses and information products on the internet. It used to take months or years to connect with the right customers but thanks to the latest technology and social tools you can create, market and sell an online course in weeks and finally get paid now for your time, expertise and experience. You can finally get paid for helping people and knowing what you know, not for just...

### Reviews

*Very helpful to all of group of men and women. It can be written in easy terms instead of confusing. You will like how the writer write this book.*  
-- **Dr. Daren Mitchell PhD**

*A must buy book if you need to adding benefit. It really is written in easy terms instead of difficult to understand. I found out this ebook from my dad and i advised this publication to find out.*  
-- **Prof. Elton Gibson I**
