

The Physical Nature of the Child: An How to Study It (Paperback)

By Stuart H Rowe

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE. In so far as the teaching of to-day is superior to that of a generation ago, it owes that precedence largely to a more general observance of two fundamental principles. One of these is that action is the first law of growth; the other, that individuals vary enormously in their capabilities for different kinds of mental and physical action. It is these two principles and the many implied by them that have called forth this book. In so far as action is to be secured from each child, the physical conditions and basis of that action should be known, not only for the average, but, according to our second principle, for each of the children. That conditions exist highly prejudicial to the child s physical development and, consequently, to his growth and power to act, is evident from a glance at the ordinary schoolroom. That the causes of these obstructive circumstances are not to be stumbled upon without effort or care is equally evident. There are thousands of earnest teachers as well as parents who cannot witness...
