

Gao Mission and Operations: Fiscal Year 1989 Budget Estimates for the General Accounting Office: T-Ocg-88-3

By -

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. GAO discussed its budget request for fiscal year (FY) 1989. GAO noted that: (1) its request represented a 64 million increase over the FY 1988 appropriation; and (2) the increase covered costs related to mandatory pay and price level changes, program enhancements, additional positions, equipment needs, building modernization, and telecommunications services. GAO also noted that it: (1) saved over 18 billion in FY 1987; (2) addressed several issues of congressional concern, including budget and trade deficits, insider trading, the IranContra controversy, lending institutions financial conditions, medical malpractice, defense affordability, the financial services industry, and the stock market crash; (3) required well-qualified, highly motivated personnel equipped with modern audit and evaluation tools to continue its work; and (4) is receiving an increasing volume of congressionally requested and legislatively mandated jobs. In addition, GAO noted that, to increase its effectiveness, it: (1) intends to adopt some Government Accounting Standards Board rules; (2) plans to implement a pay-for-performance system for evaluation staff; (3) has developed a long-range Information Resources Management Plan; and (4) wants to own its building, which it currently leases, to facilitate...
