

The Zero Class (Paperback)

By Mark Brandon Powell

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Synopsis: The energy war, the nuclear war, the food war. Earth had been ravaged by them for two centuries, leaving the soil unable to sustain a large population. A hero and leader emerged and took humanity to the stars. The second planet that mankind calls home is named Eden. Life on Eden didn't start out as it had on Earth, humanity brought technology with them, but Eden had a gift to bestow, magic. It was quickly adapted to everything, and time led to humanity rebuilding back to its former glory, and beyond. It has been 1000 years on the new home, and that is where we find Vernon Douglas. He is a high school student who is not blessed with the gift of natural magic. He has to focus through runes for his magic to work, as does a quarter of the population. High school is a nasty place, but for Vernon it is about to end. He has dreams of becoming a Paladin of the Order of Astrum, but he doesn't know how he would ever...
