Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We all have dreams about who we would like to be, what we would like to be doing or how we would like to live our life differently. We can continue to dream about them but at some point, in order to make those dreams come true, we are required to make changes in our lives to support the new dream that we want to live. You may have to change the way you think, make different decisions, spend money or use your time--differently. The truth is, if it were possible for you to be living your dream without making changes, you probably would have done it already! Difficult circumstances are often the catalyst for the changes you need to make in order to step into your dream and make it a reality. As you read my story you will discover how devastating circumstances with my Great Dane, Kayko required realignment in almost every area of my life as my husband and I walked through her cancer diagnosis and paralysis. Leaning into this fire of adversity, rather than running away, caused me to make the changes that were the beginning of my dreams coming true. I wanted to become a healer of animals and people and this was an opportunity to grow into the dream that God had for me. The challenges that I faced would help me make new decisions that began to shape my dream. If you have spent much time around Great Danes you may know that when you become their friend, they will literally come near to lean on you. No one knows really why, but in my experience, it seems to be sign of...
