CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 334 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. The Childrens Bible provides, in simple English, a translation of selections from both the Old and the New Testament. These selections have been made as a result of more than twenty-five years of observation and study. The text is that of the Bible itself, but in the language of the child, so that it may easily be read to the younger children and by those who are older. It is not in words of one syllable, for while the child is reading the Bible he should gradually learn the meaning of new words and idioms. The Bible contains the foundations on which the religious life of the child must be built. The immortal stories and songs of the Old and New Testaments are his richest inheritance from the past. To give him this heritage in language and form that he can understand and enjoy is the duty and privilege of his parents and teachers. It is hoped that The Childrens Bible will meet the need and the demand, which parents and educators alike have long felt and often expressed, for a simple translation of selections from the Bible most suited to the needs and the interests of the child. It is also believed that after the child has learned to appreciate and love these stories and songs, he will be eager and able to read the Bible as a whole with genuine interest and understanding. This item ships from La Vergne, TN. Paperback.
