The ever mysterious Qi with the needling technique releases the blocked flow of energy and invigorates our body; takes pressure off our central nervous system. Our body is composed of over 700 pressure points. Its amazing how someone can live in a tremendous amount of pain daily and be so out of touch with their body that they overlook the actual reason behind tension, headaches, stress, pre-existing conditions etc. Acupuncture releases pressure off your central nervous-system and restores your energy field. When someone is experiencing tremendous amount of pain in their body, not only is that pleasant; if you take a...
