Penguin Books Ltd, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. The second book in the gorgeous new magical friendship series, Angels Next Door, by bestselling author Karen McCombie Riley's life has changed a lot since she discovered the Angelos sister's secret. You see her new neighbours are a little bit . . . magical. They know things that no-one else does and that's why she thinks they can help her find out about mum. But just as she's about to get some answers, mysterious events start happening at school. As things get stranger and stranger, Riley begins to suspect that they're the only ones who can work out what or who is behind them. Who are these new girls and what's with all the glitter? A wonderful, funny, heart-warming and comforting tale . . . will be a success with female readers aged 9 and upwards. The School Librarian About the author: Bestselling author Karen McCombie trained as a magazine journalist in her native Scotland before moving to London. After several years working on teen favourites Just 17 and Sugar, she turned to fiction, with her first series, Ally's World, becoming an instant success. In total she's had more than 70 books published and translated around the world, and more than a million books sold. Karen lives in North London with her very Scottish husband Tom, her sunshiney daughter Milly, a demented cat called Dizzy and Biscuit, the button-obsessed hamster.
