Createspace, United States, 1818. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There is not in the whole British Isles a more efficient military body than the Ballyhaine Veterans Corps. The men look like soldiers when they have their grey uniforms on and their brassards on their sleeves. They talk like soldiers. They have the true military spirit. There is not a man in the company under fifty years of age, but if the Germans attempt a landing on the Ballyhaine beach, by submarine or otherwise, they will be sorry for themselves afterwards-those of them who remain alive. Ballyhaine is a residential suburb, entirely built over with villas of the better kind. Each villa has its garden. In times of peace we discuss sweet peas or winter spinach or chrysanthemums on our way into town in the morning, travelling, as most of us do, by the 9.45 train, with season tickets, first class.
