BULLYING HURTS: TEACHING KINDNESS THROUGH READ ALOUDS AND GUIDED CONVERSATIONS

Heinemann USA, United States, 2012. Paperback. Book Condition: New. 231 x 185 mm. Language: English . Brand New Book. We believe focused read aloud experiences with carefully selected children s literature followed by guided conversations is one way you can create a climate in your classroom, school, or district where bullying is not an accepted or rewarded behavior. Lester and Reba recommend a series of read aloud books that focus on our shared humanity and can be used on day one of Kindergarten and throughout the elementary years. They help you support the development of children s insight and compassion. Bullying Hurts guides students toward increased understandings about bullying behavior with a framework of five recommended read-alouds and accompanying lessons that help you: define and discuss the important lessons about bullying embedded in each book develop literacy skills and strategies, conversation, critical thinking, character analysis, and reflection connect read aloud experiences to the anchor standards for reading in the Common Core. Bullying Hurts does more than help children gain the insights and language needed to confront and neutralize the behaviors of bullies. It convinces us that by working together, we really can...
