Little Bee Books, 2016. Board book. Condition: New. Language: English . Brand New Book. Introduce little ones to colors and words in this bold and graphic board book by illustrator and textile designer Jane Foster. Little sock, smiley fox. What other red things can you see? And where is Brown Bear? In this colorful and sophisticated board book, children will be introduced to bold, vibrant images, such as red socks, orange starfish, yellow bees, green frogs, blue whales, purple kites, and more! Die-cuts on each page slowly reveal Brown Bear and also turn into a rainbow-colored flower on the last spread! Praise for Jane Foster s ABC and Jane Foster s 123: Both titles are stunningly simple, but Foster is able to create some truly arresting images here, making both books pleasurable repeat reads. A fetching and effective introduction to the world of numbers. --Starred Kirkus Reviews review It s a book that style-minded parents and kids can appreciate equally. --Starred Publisher s Weekly review This unusually attractive counting board book from the British illustrator and textile designer Jane Foster shows off her style in a way that will catch - and hold - the eye of grown-ups and younger children alike. --New York Times Children s Board Book roundup review.
