

## Sleepless Knights (Paperback)

By Mark Williams

Atomic Fez Publishing, Canada, 2013. Paperback. Condition: New. Language: English . Brand New Book. It s not easy being the man behind the myth. Sir Lucas is butler to King Arthur and the Knights of the Round Table - the person who managed every quest from behind the scenes. He s a man whose average working day involved defeating witches and banishing werewolves, while ensuring the Royal pot of tea never crossed the thin line separating brewed from stewed. What s more, 1,500 years after that golden age, he s still doing it - here in the modern world, right under our noses. When King Arthur and six of his knights are exposed as living among us, Merlin is unleashed and a grim apocalypse unfolds, uncovering secrets from the past that King Arthur would rather stay buried. When Lucas is forced to confront his own peculiar destiny, will he choose to sacrifice his true love and lay down his life in the service of his master? Sleepless Knights is a tale of high adventure and warm humor, with a spring in its step, a twinkle in its eye and, at its heart, the ultimate butler. I suggest you find something...
