

## Ageing: A Very Short Introduction (Paperback)

By Nancy A. Pachana

Oxford University Press, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Ageing is an activity we are familiar with from an early age. In our younger years upcoming birthdays are anticipated with an excitement that somewhat diminishes as the years progress. As we grow older we are bombarded with advice on ways to overcome, thwart, resist, and, on the rare occasion, embrace, one s ageing. Have all human beings from the various historical epochs and cultures viewed aging with this same ambivalence? In this Very Short Introduction Nancy A. Pachana discusses the lifelong dynamic changes in biological, psychological, and social functioning involved in ageing. Increased lifespans in the developed and the developing world have created an urgent need to find ways to enhance our functioning and well-being in the later decades of life, and this need is reflected in policies and action plans addressing our ageing populations from the World Health Organization and the United Nations. Looking to the future, Pachana considers advancements in the provision for our ageing populations, including revolutionary models of nursing home care such as Green House nursing homes in the USA and Small Group Living homes in the Netherlands. She shows...
