The Electric Range Handbook (Classic Reprint) (Paperback)

By Society for Electrical Development

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Electric Range Handbook This handbook is a complete compilation of authentic electric range information and data. Its purpose is to guide and help solve the problems of central station managers who have realized the importance and profit of the range load and are contemplating the establishing of a rate and the merchandising of ranges. A secondary purpose is to stimulate greater range activity in general, to show the way to more extensive sales to manufacturers, jobbers and contractor-dealers; also to central stations which have a cooking rate but have been retarded by different causes in installing ranges on their lines. The information and recommendations are based on the valuable experiences and resultant policies of a number of the large and small central stations throughout the United States which have pioneered and placed the sales and service of the electric range on a definite, successful and profitable basis. The text has been reviewed and approved by several range authorities and cannot be materially affected by changing conditions, as the fundamental methods of merchandising and maintaining this load builder will remain...
